PRINCIPAL'S MESSAGE

“Dynamic Education for Social Transformation”

I am pleased to welcome you to G.B. Tatha Tatyasaheb Khare Commerce, P.G. Dhere Arts, and Shri. Mahesh Janardan Bhosale Science College. During this period of 35 years under the umbrella of Guhagar Education Society, the college became a premier institute in the Konkan region for teaching and research. We have built and endured a legacy on the magnitude of our experience in education because we continuously embrace innovation and exploration in well-equipped, well-resourced, and well-staffed campuses that are essential in quality of the education to provide them. We take pride in our commitment to offer programs that draw on research and the best practices as well as acting with the wealth of knowledge and experience of our component faculty. Together, we aim to create a relevant, engaging and challenging educational experience for all the students. Our entire staff is committed to establishing a college environment that allows students to flourish and grow on all levels, mean while enjoying their learning experience. We work together to inspire the young students to build up their career and transform themselves into decent human beings. The college is not just focusing on imparting academic knowledge to the wards, but it is also bent on imbuing life skills, soft skills, add on courses skills, and communicative skills to help them in honing up their personality in this communicative world. We keep on searching, renewing, expanding and attempting to be ever relevant as per the changing situations of the times. That is why we enjoy a place of eminence among the educational institutions in the state. There are big tasks coming up in the near future to be accomplished like NAAC Re-Accreditation (4th Cycle) with the great deal of the college fraternity and a strong support system of the college management, teaching, non-teaching staff members, the college can steer towards the set goals. In nut-shell, ours is an institution for students seeking holistic development. It is a potpourri of academic, and cultural activities nurturing students to become socially responsible and professionally accomplishment individuals. It is our humble effort to give you detailed information about the College through this Prospectus. You are advised to visit <https://www.kdbcguhagar.org.in> for further details.

Wish you good luck!

Dr. Mahendra Ratan Gaikwad

In-charge Principal

COLLEGE PROFILE

The college was established in 1992 by the 'Guhagar Education Society' with the following vision statement in mind: "Dynamic Education for Social Transformation". The journey began with introduction of Commerce faculty in 1992 which was followed by establishment of Arts faculty in 1998 and subsequent introduction of science faculty in 2010. The college is government aided, permanently affiliated to the University of Mumbai, UGC 2(f)-12(B) recognized and accredited by NAAC with B+ grade. At present the college runs following undergraduate courses:

- Arts (B.A.): With electives among Marathi, History, Politics & Economics
- Commerce (B.Com): With electives among Business Management & Accountancy
- Science (B.Sc.):
 1. Single Major: Chemistry, Microbiology
 2. Double Major: Physics-Geology, Physics-Mathematics
 3. B.Sc. IT

It has a strong NSS unit, which has received awards from both the University of Mumbai & Government of Maharashtra. The students actively participate in the University Zonal level cultural competitions and bag medals every year. The college also has a dedicated gymkhana with necessary facilities. At present, the building is equipped with Wi-Fi connectivity with access for all and a separate fiber-optic cable with a 100 Mbps speed. The college has a three-story building (G+2) with 12 classrooms (of which two are digital classrooms), one seminar hall, a library, 6 science laboratories, and one computer laboratory. The building is located on a 7-acre hilly terrain allocated for the college, surrounded by greenery, and offers a picturesque sea view through the windows of the upper floors.

At present, the college has 17 teaching staff members in the aided section, 4 teaching staff members in the unaided section, and 12 non-teaching staff employed in the office, library, and laboratories. All the teaching staff members are fully qualified and duly approved by the University of Mumbai, of which 8 are Ph. D. holders with one Ph. D. guide. Two staff members are appointed syllabus framing and paper setting panels of the University of Mumbai. Seven teachers have completed the Minor research projects funded by the University of Mumbai. Five teachers are currently pursuing their Ph D. and are active in research.

The college students predominantly belong to the rural region of Guhagar Tehsil and reside in remote places. In most cases, they are first-generation learners. They travel on average 40~60 km daily by MSRTC buses to attend the college. The college provides them with the necessary opportunities and exposure by organizing study tours, field visits, seminars, and projects. Guhagar being a tourist place, some students turn towards entrepreneurship in the hospitality industry, and many others opt for government jobs through competitive exams or private jobs in Mumbai or chemical industries in Lote MIDC & RGPPL. Recently, students have also started to enroll in higher education due to constant encouragement, guidance, and support from the college.

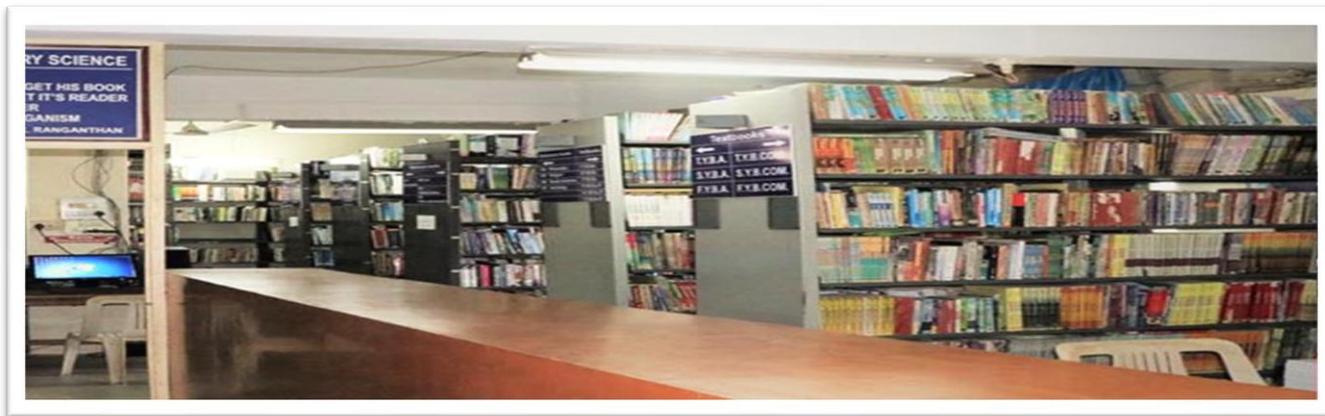

With the introduction of the National Education Policy 2020, the college strives to upgrade and strengthen its infrastructure and introduce modern teaching-learning methodologies. For the larger benefit of the students, it envisions some major projects such as a separate library building and auditorium/ multipurpose hall, development of eco-friendly premises, upgrading of science laboratories, and establishment of a separate computer access center, etc., shortly.

INFRASTRUCTURE

Khare-Dhere-Bhosale College of Arts, Commerce & Science provides infrastructure to facilitate the education process and enhance the learning ability of the students. It aims at developing intellectual capabilities and an understanding of the relationship between education and the real world.

Library

The Sadanand Sudam Patil Library (The Central Library) of G. B. Tatha Tatyasaheb Khare Commerce, Parvatibai Gurupad Dhere Arts & Shri. Mahesh Janardan Bhosale Science College, Guhagar, was established in the year 1992. Since then, the library has made consistent progress in terms of collection of books, periodicals, CDs, E-resources, services, and has provided Infrastructure. The library plays a vital role in supporting teaching and learning activities. It is an invaluable source of information to complement the course curriculum as well as enrich users' self-development. The library is computerized with INFLIBNET SOUL 2.0 Software and subscribes to various E-Resources under the INFLIBNET N-List Programme. All registered students, faculty members, and non-teaching staff of the college are entitled to register as members of the library and to use the facilities & services offered for their academic, research, and administrative work. Use of Library facilities and services implies acceptance of Library rules and procedures. The library collection consists of 13000+ books and 55 Journals and Magazines covering the subject areas corresponding to the academic programmes and activities of the college. The books are arranged according to the Dewey decimal classification system.

Book Bank Scheme for Socially Backward Students

The library runs a backward class book bank scheme with aid from the University of Mumbai. Books on a returnable term are given to the socially backward class students for the whole academic year.

Gymkhana

The Gymkhana Department of our college engages in various sports activities. The health of any institution is the total of the health of all its constituent members. The extracurricular activities and sports give scope for their hidden talents in cultural activities and sports. The institution has provided a standard playground for sports like volleyball, Kho-Kho, Kabaddi, Cricket, etc. A 200-meter track for outdoor games is also provided. For indoor games like Badminton, Chess, Table Tennis, Carrom, etc., the required facilities are also made available. The institution facilitates the admission of students who have taken part and participated in at Taluka, District, Region, State, and All India inter-university level sports and cultural activities, by giving concession in admission fees. They are motivated to take part in intra-college sports and cultural activities also trained in respective sports and cultural activities to elevate their performance in respective stages and bring out hidden talent in them to groom them for national and international sports activities. Students of this institution who come out as winners are suitably rewarded by the institution by providing them sports kits, blazers, and certificates at the annual social gathering at the hands of renowned personalities.

- a) Indoor facilities: Shuttle Badminton, Table-Tennis, Chess, Carrom, etc.
- b) Outdoor facilities: Kabaddi, Kho-Kho, Cricket, Volleyball ground

Grahak Bhandar

A separate room with necessary furniture is provided to the Students Consumer Co-operative Store. Various educational and stationery material is made available at concessional rates for students and teachers. All operations of Grahak Bhandar are run by students under the regulation of the college committee.

Bharat Ratna Dr. B. R. Ambedkar Seminar Hall

This well-furnished facility can accommodate up to 80 students and is frequently used for seminars, talks and lectures by external professionals.

ICT Facilities

The institute is very careful in promoting the use of various ICT resources for teaching and learning by faculty members as well as students. The library is one of the participants of the UGC, INFLIBNET N-LIST Programme, which makes available foreign peer-reviewed journals and e-books. The training programs are regularly held at the college, enabling the use of online educational resources for faculty and students. College promotes extensive use of LCD projectors, PPT presentations, etc., wherever required for effective student-centered teaching and learning processes. Few departments have been allotted separate computers and internet connections, which are used for conducting lectures and practicals. Technology upgradation is practiced actively in office administration and also in the library management of the college. The library has introduced a barcode system for circulation of library books. All the books of the library are with barcode stickers, and the computer data of each student is maintained in the library.

Science Laboratories

The Department of Basic Sciences features six laboratories for Chemistry, Microbiology, Physics, Geology, Botany, and Zoology. These labs are adequately equipped to serve the students with a scientific temperament and enable them to pursue projects and research. With the latest instruments and facilities in the laboratories, the students perform various scientific experiments in the respective fields in the labs.

Computer Lab/ IT Lab

The computer lab is designed with state-of-the-art technology and is equipped with all the major application software for imparting quality education. The internet-equipped lab is open beyond academic hours to meet the computing needs of the students. Effective lab assistance is provided during lab sessions to give a helping hand to students in handling problems they might encounter and to equip them to excel in the practical process of programming.

ACADEMIC BANK OF CREDIT

It is a credit facility originally envisioned by the Government of India in the National Education Policy (NEP) 2020. The scheme has the provisions of creating a digital infrastructure that will store the academic credits earned by the students of various higher education institutes within the country. The ABC will be entrusted with the responsibilities such as opening, closing, and verifying the individual academic accounts of students. It'll also be responsible for gathering the academic credits earned by the students from their respective higher education institutions, verifying the credits, storing the credits, transferring or redeeming such credits, and promoting them as and when required among its stakeholders. Students will have to manually open an account with the Academic Bank of Credit of India and abide by the standard operating procedures as communicated to them by the ABC, along with a unique ID that identifies a student's account with the ABC. To generate ABC IDs through one of the following options.

Option A

- i) Visit www.abc.gov.in
- ii) Click on my account- Student
- iii) For New User- Click on “Sign up for Meri Pehchan”
- iv) Enter your Mobile number, you will get OTP on your registered mobile number.
- v) Fill in all necessary details and click on verify
- vi) Students will get an ABC ID. Get these details for the college record.

Option B

- (i) Sign in to Digi locker by visiting www.digilocker.gov.in (can be done using Mobile or Aadhar)
- (ii) Go to search documents.
- (iii) Go to the education section
- (iv) Search for the ABC ID widget
- (v) Click on the widget to generate and download the ABC ID
- (vi) The student will get an ABC ID. Get these details for the college record.

For more information student can login to www.abc.gov.in
